Installation procedure

1. Close all programs.

2. Double-click the downloaded file to start the installation process.

3. The first screen of the installation wizard will prompt you to read and accept the End User License Agreement (EULA).

4. Follow instructions given by the installation wizard.

5. When installation is complete, you may need to restart the computer. A screen will appear with the following options: Yes, I want to restart the computer now, or No, I will restart the computer later. Select an option and click Finish.

Uninstallation procedure

1. Close all programs.

2. Click the Windows Start button.

3. Go to the Control Panel.

4. Double-click Add or Remove Programs (or Programs and Features).

5. Click MaxStat Lite or MaxStat Pro to select it.

6. Click Remove or Uninstall to start the uninstallation wizard.

7. Follow instructions given by the uninstallation wizard.

8. When uninstallation is complete, you may need to restart the computer.
